

Before deleting this, how about reading it!

I have much more proof than this that have fill 50 dvd sized 4.7Gb, as I have been collecting data since all this started. From Doctors, Chemists, Pfizer, Moderna, Coroners, plus average people who have taken videos of family members who have serious reactions.

None of it is in my home, it is stored off site for whatever the future may hold that could be required to address this falsehood of the USA, China and now Australia.
