

Dear Madam, Sir

I am requesting a full Royal Commission for a proper investigation into:

1. Vaccine procurement and secret vaccine contracts
2. Vaccine mandates
3. Vaccine injuries
4. Mask mandates and lockdowns
5. Government misinformation in the media regarding the ability of vaccines to block infection and transmission along with denial of vaccine injuries and gaslighting of the injured
6. The AHPRA lack of due diligence on safety, their silence on undeniable harm of the vaccine and their action along with ATAGI to silence the Medical Profession.

Who decided to do the opposite of the 2019 Australian Health Management Plan for Pandemic Influenza, which prophetically described why all of the actions the Government did take would not work and would cause hardship?

Australians were locked down, unable to see loved ones. People lost jobs for not having the jab. Our freedom was taken away from us. We were controlled as if we were in a communist country. The jabs have, and still are causing harm death and illness. Our freedom of speech is still questionable, with social media posts being shut down. This is not acting democratically.

This all needs to be reviewed and explained to the taxpayers.

Thanks
