

Request for Royal Commission

It has been brought to my attention that the Covid Inquiry from the Office of Prime Minister and Cabinet is requesting submissions by December 15. In response I request a proper Royal Commission for a proper investigation into; corrupt vaccine procurement and secret contracts; mask mandates; lock downs; vaccine mandates, official misinformation and lies in the media regarding the ability of vaccines to block transmission, vaccine injuries; media censorship, silencing of doctors, the role of AHPRA and ATAGI in censorship and oppression of doctors, and the poor treatment of victims. The community is not happy and is demanding answers that only a Royal Commission can deliver.
