

I request for full Royal Commission into:

1. Vaccine procurement & secret vaccine contracts with "Big Pharma "
2. Vaccine mandates and legality of it
3. Vaccine injuries and deaths (ABS shows very high excess deaths)
4. Mask mandates , lockdowns and restrictions on freedom
5. Government role in the misinformation in the media
6. The AHPRA lack of due diligence on safety and their action with ATAGI to silence doctors
7. The TGA approval of GMO untested products to use on the population
