

# Submission to the COVID-19 Response Inquiry

1. I request a FULL investigation into the COVID-19 pandemic and the response by government, legal, health organisations and corporations.
2. Exposure of vaccine acquisitions and all contracts with Vaccine manufacturers.
3. The implementation and management of vaccine mandates.
4. Expose the official misinformation about the vaccines and the blocking of transmission.
5. Investigate the injuries and deaths due to the COVID-19 vaccines.
6. Silencing of doctors and experts.
7. APHRA and ATAGI's censorship of doctors and other health professionals.
8. Mandating mask wearing, their ineffectiveness, contents and health consequences from long term use.
9. The inappropriate use of the media to spread mis information and disinformation.
