**RE : Answer to Call for Submissions for the Covid Inquiry from the Office of Prime Minister and Cabinet**

**MY SUBMISSION:**

I am an [REDACTED] year old [REDACTED] woman and I am very concerned about the sudden changes in our life here in Australia and the rest of the World. Wherever I look I see problems and people who are worried about the future and are shocked about the past repressions, violence and insane demands from the Governments during the last 3 Pandemic years.

I myself [REDACTED] with a mask which I was forced to wear. I and my husband panicked because of lockdowns. We experienced anxiety that only vaccinated people were allowed to enter certain premises or events, and incorrect PCR tests were enforced.

Now we hear from the alternative media, statistics and daily ambulance sirens, how many people are sick and have been dying suddenly. Helpful medication, like Ivermectin, Hydroxychloroquin and other successful protocols were prohibited by the authorities to treat the sick. Instead, more vaccinations were pushed by our Government and the media which resulted in excess deaths. Even Life Insurance companies indicated excess death! I hear more and more people regret agreeing to the shots which were pushed by our Government and the media.

As I read and listened to many researchers and whistleblowers (see list below), the socalled Pandemic is a political psy-op to depopulate our planet from too many "useless eaters". For that purpose, the common flu virus was manipulated into a bio-weapon, and health regulations were ignored.

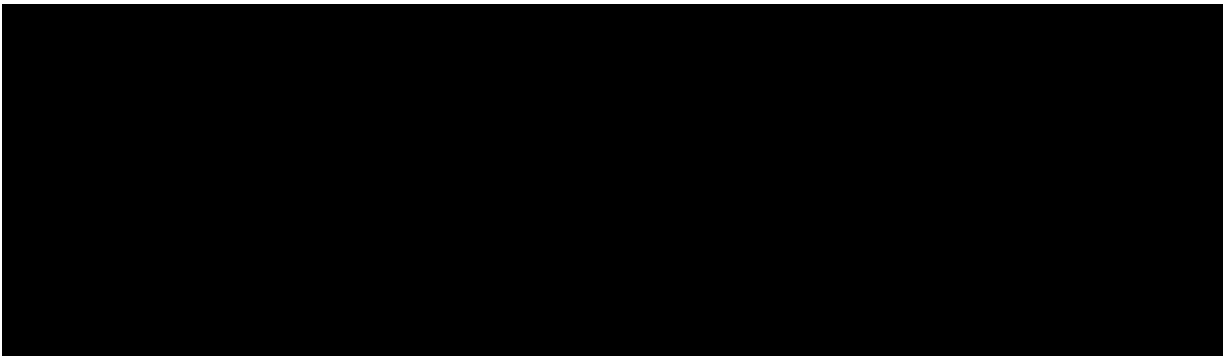

I ask myself, who are the individuals, responsible for such a dilemma and anti-human behaviour? And how can we get some sanity back?

If we want to believe that the politicians in our Government are human beings, like ourselves, they must realize that their actions have been harmful to the

survival of all of us, including themselves. Maybe they were compromised in one way or another, and are willing to rectify things before it is too late?

**For this to happen, we must exit the WHO and UN to avoid any possible unwanted future influences into our own Australian affairs.**

**Someone gave me a copy of AUSTRALIA'S NATIONAL ACTION PLAN FOR HEALTH SECURITY 2019-2023. It explains a lot and says amongst other things:**

**There must be a FULL ROYAL COMMISSION to investigate:**

- Vaccine procurement and secret vaccine contracts
- Vaccine mandates
- Vaccine injuries
- Mask mandates
- Lockdowns
- Government misinformation in the media regarding the ability of vaccines to block infection and transmission along with denial of vaccine injuries and gaslighting of the injured.
- The AHPRA's lack of due diligence on safety, their silence on undeniable harm of the vaccine and their action along with ATAGI to silence the Medical Profession

Whilst I was looking for answers, I came across reports and videos, published by wellknown doctors, scientists and other experts, how we people have been forced into submission, made sick/been killed by forces in our own Governments. There are reports/videos about their findings on their websites. The short time frame to send this report did not allow me to search and find again all these testimonies I have heard/seen, but

### **Here are some details about the doctors/experts findings:**

Covid 19 injections/mRNA shots are biological and technological weapons.

These shots alter human DNA.

These shots contain various venoms, toxins, e.g. graphine oxide nano- blades which cut into blood vessels and organs. Graphine is also transmitted to others in the same area.

And there are self-assembling nano tech micro machines. Nano technical structures are developing in the blood after the Covid shots.

In the [REDACTED] shots one can find a glowing poisonous substance, called "Luciferase".

Spike Proteins are produced in the blood by these foreign items and they are also transmitted to other people, inclusive to non-vaccinated ones.

[REDACTED] etc. found after the Covid injections.

Too many people are diagnosed with [REDACTED]

People die from blood clots after Covid injections. Funeral directors find these fibrous clots at various places when embalming the bodies.

**A Statewide grand jury is investigating now Covid vaccine crimes.**
