

COVID – 19 SUBMISSION.

INTRODUCTION

Members of the Australian government can:

1. Continue to support and promote covid lies; or
2. Tell the truth and promote the facts.

Option 1 means daily increasing criminal liability.

Option 2 limits criminal liability.

Those running this inquiry are fully aware of all the facts, or otherwise criminally negligent.

The true covid facts, are in the public domain and incontrovertible.

Those responsible for covid administration, are criminally negligent if they are not aware of all the relevant facts, and criminally complicit in crimes against humanity, if they deliberately suppress the facts and promote lies.

Criminal liability, for participation in the covid fraud/treason, is undeniable.

Millions now know THE TRUTH.

There is nowhere to hide.

PROOF OF CRIMINAL LIABILITY

War Room / DailyClout Pfizer Documents Analysis Volunteers' Reports – The Pfizer Reports Book – is freely publicly available.

1. The Pfizer Reports book contains 46 reports written by the highly-credentialed War Room/DailyClout Pfizer Documents Analysis Project volunteers between March and December 2022. The reports are based on information in the primary source Pfizer documents released under court order by the U.S. Food and Drug Administration (FDA), as well as on other key medical studies and literature that relate to Pfizer's experimental gene therapy mRNA COVID "vaccine." These important documents have been ignored by the mainstream media; however, to date, no one has challenged the accuracy of what they report.
2. Pfizer had a [REDACTED]

EUA MILITARY COUNTERMEASURES NOT VACCINES.

Millions have suffered and died as a result of the deployment of military countermeasure [REDACTED] disguised as vaccines.

1. The injections are not vaccines: not medical/pharmaceutical products at all; not subject to good manufacturing practice (GMP) requirements; or clinical trials for safety and efficacy.

All claims, that the injections were safe and effective, were always known to be false.

If those responsible had any scientific, medical or moral integrity at all, the injections would have been stopped immediately, due to repeated, clear safety flags.

CRIMES ASSOCIATED WITH COVID

There is abundant proof that the fake covid pandemic was pre-meditated and pre-planned for profit.

Crimes associated with participation the WHO & CO's crimes against humanity include:

Treason; fraud; criminal negligence; theft; lying; misrepresentation; manslaughter; attempted murder; murder; blackmail; coercion; assault; dereliction of duty; breach of fiduciary duty; etcetera; etcetera.

How do those complicit plead now?

How will they plead in the future, if they continue to uphold covid lies?

CRIMES AGAINST HUMANITY INCLUDING INTENTIONAL GENOCIDE

Former Italian Health Minister [REDACTED] is reportedly under investigation for homicide after emails between him and the head of the drug authority, reveal that both ***had been aware of the dangers of the COVID vaccination*** from the very start and ***knowingly and deliberately exposed the unsuspecting Italian population to this risk.*** [REDACTED] when he knew the shots were killing people, gave orders to local health authorities to conceal deaths and serious side effects in order to reassure Italian citizens of their safety and to not jeopardize the vaccination campaign.

All responsible players, risk prosecution for serious crimes, with severe possible punishments.

CONSPIRACY THEORY PROPAGANDA

Clearly those being accused of being conspiracy theorists, persecuted, marginalised, even criminalised, are the truth speakers, while the liars are the real conspirators, who will be held accountable.

Clearly the medical/scientific experts, who are being censored and de-platformed, are the real experts, while the fake experts are the liars.

MISINFORMATION PROPAGANDA

Government, media, medical and other persons, are directly responsible for the covid lies and misinformation, which have caused and are causing, great suffering to many Australians.

Lies and misinformation have injured and killed many, via the suppression of the use of effective inexpensive treatments, and the promotion of the use of inappropriate, known to be dangerous and potentially deadly, but profitable treatments.

CONCLUSION

Those who continue, to try to cover up the real covid facts, risk indictment.

These deadly dangerous injections must be banned immediately, otherwise those responsible for the ongoing suffering and death, face escalating degrees of criminal liability.

The members of this inquiry, will be held accountable for their choices, in this matter.
