## COVID Inquiry Submission

- I DEMAND a Royal Commission for a FULL investigation.
- This commission needs to bring to the light [REDACTED] vaccine acquisitions and [REDACTED] contracts with Vaccine manufacturers.
- Illegal vaccine mandates! Why were federal employees including the judiciary exempt. (How did covid know not to infect them???)
- Official misinformation was given over and over again that the vaccines blocked transmission. They did not, neither did they stop infection. So what did they do you might ask? See next point)
- Vaccine injuries. In my [REDACTED] town in country Victoria I know people who have died, people who have had [REDACTED] and [REDACTED], people who have [REDACTED]. People who have [REDACTED] People who had [REDACTED] and didn't even get to start treatment. People who have [REDACTED] My [REDACTED] used to run [REDACTED] a week and also fitness walk. Now she has [REDACTED] [REDACTED]. People who have [REDACTED] and are sick for weeks on end. My [REDACTED] business that employees approx. 48 people had in the month of October more than 2 people away sick EVERY SINGLE DAY!
- Silencing of doctors and experts was a disgrace and has led to so much destruction of peoples health and ruined my trust and faith in the medical professions.
- AHPRA and ATAGI's censorship of doctors was [REDACTED]
- People who made these decisions and enforced these decisions need to be able to account to us on what grounds they were made
- I WANT ANSWERS
- I DESERVE ANSWERS
