

A full royal commission is required for a proper investigation of:

- vaccine procurement
- secret vaccine ingredients
- evidence of the normal vaccine research
- vaccine mandates
- vaccine injuries
- denial of vaccine injuries
- mask mandates
- lockdowns
- government misinformation in the media
- lack of due diligence by AHPRA
- the actions of AHPRA & ATAGI to silence the medical profession and their concerns
- the hardships you caused to children, small businesses
- the fear you created in many, leading to their demise
