

I DEMAND a royal commission for a FULL investigation!

2. EXPOSE corrupt vaccine acquisitions and SECRET contracts with Vaccine manufacturers!

3. Illegal vaccine mandates! Having to wear mask, locking people in their homes and only aloud to go 5 kms from their home. This is Not being humane.

4. Official misinformation about vaccines blocking transmission!

5. Vaccine injuries! I have lost family and friends and many others with life threatening injuries. Because of this vaccine.

6. If this vaccine was so safe why have you all Silencing our doctors, nurse, and other experts! Many medical and science all round the world are speaking out and many have lost their jobs because they cannot live with themselves with the damage that this vaccine has caused other human beings but still our governments are pushing this death vaccine. SO WHY is this happening, and this is one of the reasons we need a royal commission.

7. We need to know why AHPRA and ATAGI's have censorship our doctors! Nurse etc

It is TIME for you to ACT NOW! As the proof is out there now that this covid vaccine had killed and injured many people. And still, they are promoting the vaccine.

We are WATCHING, and we will NOT stay silent! As many and myself have lost family and friends and many others with life threatening injuries.
