

Request of a Proper Royal Commission to Investigate:

Just some of the reasons WE THE PEOPLE are asking for a proper Royal Commission to investigate -

Into the Corrupt Vaccine Procurement and Secret Contracts,

Payments made to individuals, business's for injecting people.

Mask Mandates -

Lockdowns,

Vaccine Mandates -

Border Closures,

Official/Government Misinformation and Lies from the Media regarding the ability of the so called Vaccines to stop transmission.

Vaccine Injuries,

Media Censorship,

Silencing of Doctors stopping them being able to give Informed Consent, AHPRA and ATAGI role in the censorship and oppression of Doctors,

Gas lighting and poor treatment of victims of vaccine injuries.

Why only COVID vaccinated people are allowed on the Donor List or receive a Donor Organ.

The Investigation must be done Post Haste with the
RESULTS MADE PUBLIC
