I want to submit a response requesting a proper Royal Commission for a proper investigation into; corrupt vaccine procurement and secret contracts; mask mandates; lock downs; vaccine mandates, official misinformation and lies in the media regarding the ability of vaccines to block transmission, vaccine injuries; media censorship, silencing of doctors, the role of AHPRA and ATAGI in censorship and oppression of doctors, and the poor treatment of victims. A full royal commission is needed as our country and others are seeing the deadly outcomes from this covid rubbish and the Government seem to do nothing and are not being held accountable.
