

Dear Covid 19 Enquiry Cabinet,

The brutal lockdowns which Victorians endured under Premier Daniel Andrews were an absolute nightmare and never should have happened.

Coronavirus was nowhere near as deadly as previously thought; the Victorian death numbers did not justify lockdowns

(see excel spreadsheet attached, the avg deaths per month were unaffected)

Countries like Sweden did not lockdown its population; but instead let people roam freely and make their own educated health decisions.

The Covid-19 vaccine was not safe and it was also not effective in stopping the spread of coronavirus.

There were already early warning signs as per the following contract in Europa.

Europa TEG Contract - MHRA AI Adverse Reaction System

Our very own DAEN database also has horrific data from the reported vaccine injuries and deaths - (see attached DAEN PDF)

The VAERS American database also has even more concerning data.

Mandatory vaccines violated one of the laws in our Australian Constitution section 51(xxiiiA); which is meant to be the highest law in the land.

<https://constitutionwatch.com.au/3955-2/>

It violates section 1 of the Nuremberg (1947)

https://media.tghn.org/medialibrary/2011/04/BMJ_No_7070_Volume_313_The_Nuremberg_Code.pdf

It also was not done with VALID CONSENT as per the Australian Immunisation Handbook

<https://immunisationhandbook.health.gov.au/vaccination-procedures/preparing-for-vaccination>

For consent to be legally valid, the following elements must be present:

1. It must be given by a person with legal capacity and of sufficient intellectual capacity to understand the implications of being vaccinated.
2. It must be given voluntarily in the absence of undue pressure, coercion or manipulation.
3. It must cover the specific procedure that is to be performed.

These individuals who violated our sacred human rights and forced Australians to take a medical experiment which had not finished clinical trials all NEED TO BE JAILED FOR LIFE.

There are no exceptions just because they are Prime Ministers / Premiers doesn't exonerate them from our laws. Nobody is above the law.
