

I am a regular Australian seeing the negative impact of Covid treatment and Covid Vaccine mandate have in my communities.

This includes:

- Mental health issues caused by the lock down.
- Suicide caused by the lock down.
- Elderly and regular Australian being treated badly / unjustly by police acting like thugs.
- Dictatorial behaviour by state leaders such as Daniel Andrew, Mark McGowan, Anastasia Palaszczyk, Michael Gunner and Gladys Beregyklian.
- Financial issues caused by people who were not able to work because of the lock down and / or vaccine mandate.
- Family breakdown, students are not allowed to go to school, workers

retrenchment because of the vaccine mandate.

- Immediate and long term health issues resulting from the jab (cancer, GBS, shingles, myocarditis to name a few).
- Death caused by the Covid vaccine.

Just a small sampling of studies below are proofs that the mask, the lock down and the vaccine mandates are unjustified, even resulting in detrimental result to human's well-being.

- Mask study shows 'little to no difference' in preventing COVID, Flu infection.

I call on a proper investigation into:

- Corrupt vaccine procurement and secret contracts. (We want the contract for covid19 jabs, between pharmaceutical companies and Australian Governments shared publicly.)
- Mask mandates.
- Lock downs.

- Vaccine mandates.
- * Locking of beaches and parks.
- Official misinformation and lies in the media regarding the ability of vaccines to block transmission.
- Unjust and cruel behaviour by the police towards people who speak up against the lock downs and mandates.
- Vaccine injuries.
- Media censorship, silencing of doctors.
- The role of AHPRA and ATAGI in censorship and oppression of doctors.
- The role of AHPRA and ATAGI in suppressing effective medication such as ivermectin and hydroxychloroquine so the government can push the vaccine mandate.
- The poor treatment of victims.
- * The lack of transparency from the govt, release minutes of Emergency National Cabinet meetings held by Morrison PM.

* illegal use of vaccine passports, require legislation to stop this ever happening again.

* investigate why federal government did not close our borders faster and stop state border closures, which were unnecessary as we are an island.

* request all companies who made a profit while taking govt handouts to pay it back.

* request all companies who sacked staff over mandates rehire and pay lost revenue to staff.
