

I demand a full review into the covid-19 response with answers to the following questions:

- 1) Full details of all government contract(s) with vaccine manufacturers published without any redactions.
- 2) Full details of what trial data was reviewed in the decision making process to judge vaccine safety and efficacy.
- 3) Substantiation to made by any state CHO or state Premier on any claims of vaccine effectiveness made since Jan 2020.
- 4) Where negligence or criminal activity regarding the covid-19 response can be proven full accountability and justice to be levied.
