

The Commonwealth Government COVID-19 VIRUS Response Inquiry terms of reference is limited to " LESSONS LEARNED" to improve Australians preparedness for future pandemics.

Require "Royal Commission" into SARS-COV-2 Virus, in three years 2020 to 2023 has the government located origins C19 virus, zoological or artificial research (Frankenstein science government conscripted experimental medical injections) or biological weapons, "NO"? Fact, Australia CSIRO involved C19 research, American taxpayer dollars funded [REDACTED], the [REDACTED], Wuhan China, secret gain of function Covid 19 research, deceitful. Fact, military "games " held Wuhan China October 2019, those returning had flu like symptoms? Why hold military games, this is obscene involving death not peace? The government signed secret agreements indemnifying pharmaceutical foreign corporations experimental medical injections on humanity. Research procedure, after animal testing, if no critical failures, select section of humanity not all humanity on nRMA first technology, not the destruction of virus but to infiltrate human DNA, [REDACTED] application. The C19 research did select small number humans, this resulted in catastrophic deaths and injuries, how could this be implemented if not sinister & [REDACTED]

We the people see [REDACTED] Do you believe we would "forgive & forget", NO. [REDACTED]  
[REDACTED]. 14-12-2023.
