To Whom It May Concern

I am writing this submission as I am very concerned about the Labour Governments unbelievable negative response to the Covid Pandemic.

Was it a Pandemic? The Virus has never been isolated so how can the Govt say what it was? Did it really exist in the first place.

I am a Registered Mental Health Nurse, and had worked for some 40 years both in the field of Mental Health and as a Consultant to a Pharmaceutical Company, working on Antipsychotic Medications, selling to Psychiatrists. I lost my career and all wages from that time!

I lost my career as a result of the Non Lawful Mandates. As I had worked in a Pharmaceutical Capacity I knew this COVID Vaccination was no more than an experiment to be tested on the Australian/World Populations.

As a result, we have seen DEATHS and VACCINE INJURIES/SOME PERMANENT, which, have resulted from this experiment.

NUREMBERG PRINCIPLES

The 10 elements of the code are:

- Voluntary consent is essential.
- The results of any experiment must be for the greater good of society.
- Human experiments should be based on previous animal experimentation.
- Experiments should be conducted by avoiding physical/mental suffering and injury
- No experiments should be conducted by avoiding physical/mental suffering and injury
- No experiments should be conducted if it believed to cause death/disability
- The risks should never exceed the benefits
- Adequate facilities should be used to protect subjects
- Experiments should be conducted only by qualified scientists
- Subjects should be able to end their participation at any time
- The Scientists in charge must be prepared to terminate the experiment when injury, disability, or death is likely to occur.

As you can see from the Nuremberg Principles, these principles were not adhered to:

1. Informed consent WAS NOT adhered to: MANDATES (which are not a Law), people were coerced and frightened into accepting this experiment.
2. It was not for the greater good of society – it caused stress, mental illness, physical and emotional distress, suicide became common. Permanent injuries were caused.
3. WHAT? I think a few Rats were said to be experimented on before the drug was moved into the main populace.
4. Injuries were occurring and the drug was not stopped
5. The Govt knew disability and death was occurring and DID NOT and STILL HAS NOT stopped the drug being given. There is now enough Research being done which proves this.
6. The Risks did exceed the benefits
7. Tents in car parks of Bunnings were not adequate facilities when an experimental drug is given. Ambulances were being called to these facilities to deliver care to the injured. As a nurse I was trained to give injections in a sterile and clean environment. I witnessed people giving injections, did not even wash their hands before or after the giving of these injections.
8. The people giving the injections were not trained scientists.
9. Subjects were continued to be feared and coerced into having the experiment
10. The experiment has never been terminated but instead coercion and fear is still being used by the Govt and Media, to continue injecting people. Even after the findings are being identified to say this experiment is dangerous!

Further more:

MASKS DO NOT PREVENT INFECTION, they were not designed for that purpose.

PCR TESTS DO NOT INDICATE INFECTION and such a waste of money.

RATS TESTS are not reliable! The Labour Govt spent \$360 Million of Tax Payers Monies, such a waste!! Stolen monies from the tax payer.

MEDIA CENSORSHIP – disgraceful lies told to the public.

AHPRA - a Lying disgraceful organization directed by [REDACTED]
[REDACTED] who is not a medical person.

The INJECTION does not stop TRANSMISSION, as told to us by Media and Govt. Another LIE

MISINFORMATION/DISINFORMATION as spread by the LABOUR GOVT supporting the experiment.

VACCINE INJURED – appalling treatment by the GOVTS and the SILENCED DOCTORS.

ILLEGAL LOCKDOWNS – causing undue stress, financial hardship, emotional and physical breakdowns.

The loss and break up of families and friends, due to the MISINFORMATION spread by the GOVTS and MEDIA.

I am so disappointed in the LABOUR GOVT, I WILL NEVER COMPLY TO THIS HORRENDOUS INSULT ON THE AUSTRALIAN POPULATION. WE HAVE ENOUGH RESEARCH DONE NOW THAT PROVES THIS WAS ALL A LIE.

I CALL FOR A ROYAL COMMISSION INTO THESE LIES and I WOULD LIKE MY LOST WAGES AND CAREER BACK AS IT WAS.
