The logo for 'The End of COVID' features the words 'The End of' in a black, cursive script font, positioned above the word 'COVID' which is written in a large, bold, black, sans-serif font. The entire logo is set against a background of a fine, light gray grid pattern.

Hey Bonnie,

Thank you for tuning into *The End of COVID*'s free replay period.

Thank you for your willingness to unlearn and take the first step in unraveling our previously held beliefs about disease and contagion.

Thank you for participating in this still-growing educational revolution. If enough men and women engage in this content like you did, we'll be able to close the curtain on perpetual pandemics – once and for all.

Remember: the entire video library is still available to purchase and own forever.

So, please, re-visit these sessions. Share the information with friends and family. Because if you do, a life of health, happiness, and sovereignty awaits all of mankind.

We'd also like to remind you that *The End of COVID* was a collective effort. The project was put together by a small group of independent organizations – with no motives other than seeking the truth.

No pharmaceutical interests. No scientific dogma. And no backing from the corporate press. So, please consider checking out and supporting the sponsors who made it happen.

Alfa Vedic

The Alfa Vedic mission is dedicated to further the awareness and implementation of decentralized agriculture, medicine without violence, and financial systems aligned with natural law to elevate the well-being and collective consciousness for seven successive generations.

ALFA VEDIC

With a foundation in biodynamic agriculture and bio-terrain medicine, the Alfa Vedic product line is “beyond organic,” with a focus on naturally derived ingredients that support the terrain using the most advanced techniques in modern alchemy and biological science.

In conjunction with The End of Covid, Alfa Vedic is launching its own private online community on alfavedic.com. It will serve as a private hub where our community can gather online to discuss all the topics from the End of Covid without fear of tracking or censorship.
