

The Covid vaccine mandates affected me the most. I wanted to keep working and felt coerced to get the vaccines to keep my job. I have had vaccines previously but this one was definitely experimental and think it was irresponsible for the government to support rolling this out let alone mandating it. Highly unprofessional of Government that didn't look at medical professionals on both sides of the debate instead of calling anyone against the safety of the vaccine 'misinformation spokespeople'.

Form questions

All questions are mandatory – however you can select 'prefer not to say' where relevant.

Are you lodging as an individual or on behalf of an organisation? *

- ☒ Individual
- ☐ Organisation
- ☐ Prefer not to say

Contact details

Contact details will only be used if the inquiry requires further details to process your submission and evidence.

- ☒ I do not want to provide any of my contact details
Please note if you do not provide contact details and we need further information from you, we may not be able to process your submission.

Relevance to the inquiry

Which of the inquiry's terms of reference do you think your submission and evidence most relates to?
Please select all that apply. *

- ☐ Broader health and social supports
- ☐ Community supports
- ☐ Financial support for individuals
- ☒ Governance, including roles and responsibilities
- ☐ International policies to support Australians at home and abroad
- ☒ Key health response measures
- ☐ Mechanisms to better target future responses to the needs of particular populations
- ☐ Support for industry and businesses
