

I DEMAND a Royal Commission for FULL investigation !

It is needed to gain inside into the corrupt dealings of government officials with the vaccine manufacturers and expose all relevant information about the true incurred cost and future cost.

It is needed for the investigation and prosecution of the government officials who imposed onto us unlawful vaccine mandates and caused immense harm to the long term health of many Australians and immense costs to our economy.

It is needed for the investigation and prosecution of the government officials who were actively engaged in spreading disinformation about the vaccines been effective and safe instead of advising public to be cautious due to the experimental nature of the vaccines and no external quality control.

It is needed for the investigation and prosecution of the government officials who were implicated in the suppression of other modalities of Covid treatment - such as the use of Ivermectin, Hydroxichloroquin, Isoprinosine and many others.

It is needed for the investigation and prosecution of the government officials implicated in silencing doctors and experts critical of the "official narrative" and offering alternative paths.

It is needed for the investigation and prosecution of the government officials

It is needed for the investigation and prosecution of the government officials responsible for censorship of doctors through the powers of AHPRA and ATAGI

It is needed for the investigation and publicizing of all statistical data available to assist in quantifying the harm the experimental vaccines done and continue to do to Australians.
