

- I was threatened to get MRNA vaccine. I got 2 injections - Pfizer and Novavax.
- Immediately I developed pericarditis, [REDACTED]
[REDACTED]
- I was threatened when I refused booster. I lost 3 weeks of income.
- I was mistreated and threatened in [REDACTED] when seeking help with pericarditis.
- I lodged a complaint to the [REDACTED] Never had any response.
- Doctors refused discussing my health conditions.
- I lost several friends in the first several months after their MRNA injections. Mostly due to [REDACTED] has never been fast developing before mrna vaccination)
- [REDACTED] in our [REDACTED] group were found [REDACTED] after Pfizer in their beds. Without an investigation, the relatives were told that they [REDACTED]. Very convenient.
- The whole office, with 100% of mandatory covid vaccination, got covid one or more times.
- Since covid vaccination, my colleagues continuously have [REDACTED] even in summer. Which has NEVER happened before.
- Psychological pressure was used to shut up the discordant views.
- The whole "response" looks like a warfare on Australian citizens and MUST be investigated.
