

I am respectfully requesting a full Royal Commission for a proper investigation into:

1. Vaccine procurement and secret vaccine contracts
2. Vaccine mandates
3. Vaccine injuries
4. Mask mandates and lockdowns
5. Government misinformation in the media regarding the ability of vaccines to block infection and transmission along with denial of vaccine injuries and gaslighting of the injured
6. The AHPRA lack of due diligence on safety, their silence on undeniable harm of the vaccine and their action along with ATAGI to silence the Medical Profession.

Who decided to do the opposite of the 2019 Australian Health Management Plan for Pandemic Influenza, which prophetically described why all of the actions the Government did take would not work and would cause hardship?

I personally lost my employment of 7 years because of vaccination mandates by Clubs NSW. Which have since been repealed because the vaccinations were deemed no longer necessary. I suffered loss of income and my financial resources have been drastically drained.

I have several friends who suffered from severe covid influenza immediately following vaccinations. I have never had it myself and remain perfectly healthy. My boyfriend and his sister both had palpitations following their second vaccination along with others they know in their workplace at that time.

I whole heartedly oppose Australia being a signatory to the WHO's Pandemic Treaty as it **is** not about protecting the public from pandemics but rather the taking control of the public through vaccination passports and digital ID.

I am fully aware of the so called Elites plans for one **world** governance via WHO, WEF, UN and the Banks. It is corruption and Evil , and must be prevented.

Sincere regards
