

To the Covid-19 Response Inquiry Taskforce,

I am writing to let you know that an inquiry into Covid-19 is not good enough. I demand a Royal Commission to the Covid-19 debacle.

Only a proper Royal Commission can investigate:

- Corrupt vaccine procurement and secret contracts
- Mask mandates
- Lock downs
- Vaccine mandates
- Official misinformation and censorship from the Government and its agencies including media
- Vaccine injuries and the poor treatment of victims
- The silencing and oppression of doctors by AHPRA and ATAGI

A Royal Commission is needed to uncover the cover-up.

Thank you for your consideration,
